

North Dakota Appraisers Association  
Executive Board of Directors Meeting  
Conference Call  
Tuesday, November 27, 2017

Meeting was called to order by President Bill Gion at 10:00 am, CST

**Present:** President: Bill Gion, Secretary/Treasurer: Rhonda Knudson, Vice President, Dean Rylander, and Board Members: Joe Ibach, Kathy Berry and Executive Secretary: Debbie Ellerton, and Advisor: Craig Steinley, via conference call.

**Agenda:** The agenda included a Strategic Planning Session to provide input from the NDAA Executive Board, as an organization, to Joe Ibach regarding his meeting in Washington, DC on 11/30/17 with Craig Steinley and the congressional delegation from North Dakota and South Dakota.

Craig sent an email to the BOD with the following information: Late last week, the Senate Banking Committee released its banking modernization legislation, including a section to exempt certain loans in 'rural' locations from an appraisal if the loan amount is below \$400,000 (section 103 of the bill).

This meeting will allow NDAA to suggest additional provisions (favorable to appraisers) put in the legislation by 'our' Senators, so their staff understands our reaction to section 103, as written.

The meeting adjourned by President, Bill Gion at 11:00 am.

Respectfully submitted,

Rhonda Knudson  
Secretary/Treasurer, NDAA
